Complaint details

Complaint type	Business operating without a licence
Food safety concern	Betty's bakery are not showing their food business licence. I don't think they should have a licence. The bread and breadrolls are in the open area, and there are flies buzzing around everywhere. The people serving the food are wearing gloves, but they touch the food and touch the money with the same glove. The place looks like it hasn't been cleaned and there are boxes of drinks blocking the doorway causing a tripping hazard. Something should be done about this bakery before someone gets seriously sick. Walked straight out of this store, and didn't want to purchase anything from here. The food looked disgusting and they should be banned from selling food.
