Complaint details

Complaint type	Food auditor
Auditor name	Frank Pompou
Business name	Franks Food Safety Auditing
Main concern	Frank came to audit my café and said that I am not allowed to have dogs at the café. I only allow the dogs to be in the outdoor dining area, and we have a very strict policy about the number of dogs allowed at any time. We are also very careful to clean up any mess quickly. Based on the discussions I had with council when I started the café, I was under the impression that this was allowed. Frank got very aggressive with me when I told him about the council advice. I have also got information from the QLD health website about it as well. I don't think Frank should have his auditor licence if he doesn't even know the rules.
